**Pentecost 2025**

**June 8 – Nov 23**

Red is the color used on Pentecost Sunday. On this day we remember the power and fire of the Holy Spirit, "the Lord and Giver of Life." The color red communicates the motif of strength – the strength and power the Holy Spirit gives in order for God's people to call on the name of Jesus Christ and share that powerful name with others.

Pentecost begins fifty days after Easter. The season of Pentecost may last from 22 to 28 Sundays. Green is the appointed color for all but a few of these Sundays. The Sundays following Pentecost are called the season of the "green meadow," as these Sundays also emphasize the subject of growth.

**Pastor Mark's Remarks – October 2025**  
**"Being Who We Are, Where They Are"**

*For the creation waits in eager expectation for the children of God to be revealed. Romans 8:19*

For many, the church is a place they go to escape from the world.

For many, the church is a place they feel like they need to wear a mask and pretend to be someone they are not so they can fit in.

How have we allowed the Enemy to twist our understanding of church so completely?

Jesus' church is meant to go into the world and meet people where they are at, not to escape from the world into the safety of a building,

Jesus' church is meant to be a place where authentic community and healing occur because people are able to take off their masks and be who they really are.

The world will continue to suffer when God's people keep escaping from the world and wearing masks to hide from each other.

All creation is waiting with eager expectation for the children of God to be revealed. Being who they are, not hiding behind a mask. Being in the community, not hiding in a building.

Jesus, may I be part of a community of love and transparency where we can all take off our masks and experience healing and true community. May this community of truth and transparency get out of the building and meet others where they are with your presence and love. AMEN

**Dinner and Bible study – Wednesdays at 6:30** – Join us for food, fellowship, prayer and great discussions about the Bible and living out our faith. **LifeWise Bible Classes in Yukon and Mustang School Districts** - Pastor Mark has been part of the steering committees to start Bible classes for students in the Yukon and Mustang school districts. Our present status in the schools:

**Yukon** – The program has been approved, and we are in the process of hiring a local program director. It will start at one school (Parkland Elementary) where the students will cross the street to Town and Country Christian Church for class. We hope to be adding more schools as meeting sites become available.

**Mustang** – In Mustang, there is a steering committee formed which is starting to explore possibilities.

***What is LifeWise, and how can they do Bible Classes for Public Schools?***

1. LifeWise is a non-profit based in Ohio that has begun Bible classes in over 1000 school districts across the country. They focus on the aspects of faith that unite the church rather than lifting up what divides.
2. Federal law says public schools must provide an opportunity for Bible classes for students as long as the following criteria are met:
  - a. During the school day
  - b. Off-site
  - c. Parent-approved
