

Resurrection Lutheran Church Member Privacy Form

Because of the nature of a church, we often spotlight our members on our bulletin boards, in our newsletters, on our website and occasionally through public media. *(Note: our newsletters are published on our website.)*

But, we recognize that with the advent of the web, information is distributed far beyond our community. Therefore, if you have privacy concerns, we want you to have the opportunity to decline from having your full name and/or photo published.
